Physical Location of Property (911 address):

Please sketch a map indicating the location of the structure which will be demolished:

Per Section 3.2 of the Hardwick Unified Development Bylaws:

Section 3.2 Damaged Structures

(A) No zoning permit is required for stabilization of damaged structures to prevent hazards to public health or safety, or to adjoining properties, structures or uses (e.g. fire collapse, squatting); nor for the timely repair or reconstruction of damaged structures to the extent of their prior condition and use, provided such stabilization, repair or reconstruction occurs within 12 months of the date the structure is damaged. Reconstruction that results in changes in density, dimension or use under applicable provisions of these regulations shall require a zoning permit issued in accordance with Section 7.1.

(B) If an owner has not stabilized, repaired or reconstructed a structure that has been demolished, destroyed, or substantially damaged within 12 months of the date of damage or demolition, and the structure is determined by the Town Health Officer to present a hazard to public health and safety, the owner shall remove all materials from the site, restore the site to a normal grade and establish ground cover sufficient to prevent erosion.
