

**HARDWICK ELECTRIC DEPARTMENT
P.O. BOX 516
HARDWICK, VT 05843
802-472-5201**

DISPLAYING BANNERS

1. All banners will be approved by the Hardwick Select Board.
2. A \$100.00 fee will be paid to Hardwick Electric for hanging and taking down the banner.
3. Banners will be displayed on Wolcott Street.
4. When the banner is taken down we request that it is picked up within five working days. After five working days the banner will be put in our warehouse for a period of six months. After six months it will be disposed of.
5. By hanging a banner Hardwick Electric does not assume any responsibility for any damage done to or by said banner.
6. The banner will be made of reinforced material not just cloth or plastic.
7. The banner will be equipped with either holes or slits for air flow (see drawing).
8. Each banner will be equipped with 3/8" nylon rope already in place. This rope will be one continuous piece sewn in across the top and one continuous piece across the bottom of the banner, or woven into the grommets. The length of the banner and the rope will be 65 feet; both top and bottom (see drawing).
